EPIC’S DIRECT IMPORTS
Our direct import portfolio is a group of wines dedicated to unique producers and places throughout the world. Our industry professionals have decades of experience exploring the globe, and seek out wines from the best growing regions that offer an individual perspective and value for the market.

FRANCE
Alphonse Mellot
As far back as the XVI century the local records mention the Mellot family, whose life was governed by the seasons of the vine and the production of wines of excellent quality. Today, this century old winemaking tradition is perpetuated by Alphonse Mellot, father and son, the 18th and 19th to bear the name. The wines are produced from the upper Sancerre vineyard, the most famous of which is the "Domaine la Moussière".

Champagne Deutz
Founded in 1838, Champagne Deutz is one of the oldest members of the prestigious Union de Maisons de Champagne. They source from over 490 acres of the finest Crus to craft a Champagne of distinctive style with perfect finesse, elegance, and harmony of flavors.

ITALY
Le Colture
The Ruggeri Family, residents of the Veneto region since the 15th Century, produces exceptional Prosecco from their estate vineyards in the DOCG areas of Conegliano and Valdobbiadene. With a focus on handmade quality, their offerings are a cut above many of the mass produced offerings on the market.

Mastrojanni
Mastrojanni has been writing history with its wines since 1975, earning international acclaim from top publications like Wine Spectator and the Wine Advocate. Today they have become one of the most respected Montalcino producers in Italy, making wines with personality, individuality and elegance.

Rocche Costamagna
This emerging Barolo producer is quickly earning the attention of the international wine press. The winery sits directly atop the city wall of La Morra, the highest point in Barolo, with vineyards stretching down the hillside toward the valley below. Owner and winemaker Alessandro Locatelli is creating exquisitely made wines in the traditional style of the Piemonte region.

San Fabiano Calcinaia
Located in the historic Castellina region of Chianti, San Fabiano Winery is housed within a restored medieval hamlet that dates back to 1000 A.D. The organically farmed grapes produce wines of exceptional quality, with their single vineyard Cellole and Super Tuscan Cerviolo Rosso consistently earning high praise.

SLOVENIA
Verus
Founded by three young partners, Verus is producing some of the most exciting wines in Slovenia. The winery is located in the Jerusalem Hills not far from Austria. Recently awarded top reviews by Robert Parker’s Wine Advocate, they have earned a reputation for making exceptional Riesling and Furmint, an indigenous varietal.

SPAIN
Bodegas Emilio Moro
The winery is located in Pesquera de Duero, a village in the heart of the Ribera del Duero region, situated in an area known as “The Golden Mile”. Innovation is one of the core values for the Emilio Moro family, with a Research and Innovation department that collaborates with several colleges in Spain to perfect processes and make wines unique.
AD. LAWS
Craft over commodity. Quality over quantity. Whiskey above all.®. If they had to add a fourth (and they do…) it would be “There are no shortcuts”. These principles appear on the walls of their distillery. They guide every decision that they make. Just as important as their commitment to making the best whiskey, is their commitment to their customers. They believe, and are founded in, transparency, integrity, and honesty. If you can't trust them how can you trust what's in the bottle? They are an integrity-based distillery providing ethically-made high quality whiskey.

The distillery, located in Denver, Colorado, is where they mill their grains, combine them and cook them to create an incredibly complex sour mash. Here the mash is open-air fermented for four days. They then distill it in a custom-made four plate pot/column still. From there the whiskey makes its way to full sized American White Oak barrels, where it's aged a minimum of two years.

GRAY WHALE
All of their spirits are inspired by the Golden State and crafted from locally sourced organic or wild foraged ingredients. They proudly support California wildlife and nature conservation, through their partners: Oceana and 1% for the Planet.

The London dry-style gin is flavored with the unique botanicals that line the gray whale's migratory path from Baja and north along 800 miles of the California coast. Every ingredient is hand-foraged from the wild or sourced from small organic farmers (limes from Baja, juniper berries from Big Sur, almonds from a little farm near Sonoma). Its young, bold and wise beyond his years. Enjoy the journey.

RON RUBIN WINERY
Located on a 10-acre vineyard in Green Valley, a sub-appellation of Russian River Valley in Sonoma County, Ron Rubin Winery is committed to producing exceptional wines. Their wines are sourced from both estate-owned and local family-owned vineyards to bring you a beautiful experience that expresses the unique character of the varietals, vineyards, and people behind the wines.

Quality has always been a top priority in their wines and vineyards. Their dedicated winemaking team, led by winemaker Joe Freeman, carries out this tradition with a winemaking philosophy that offers a balance of passion and precision. Joe's approach has spearheaded their commitment to delivering the highest quality of wines at a great value. The fruit in Green Valley ripens slowly, which produces wines with lower alcohol and more evenly balanced acidity, a hallmark for perfect, food friendly wines. For their wines, they wanted the best that nature has to offer as a great base, and that base for them is Goldridge soil. Their Pinot Noir has all of the ingredients it needs to allow their viticultural and winemaking teams to be crafting world-class wines.
CONVITE
CONVITE is a high quality artisan mezcal. The careful distillation method, the selection and purity of its natural ingredients give our mezcals a distinctive and epicurean taste. The sophistication of our mezcals reflects the ancestral expertise in the intricate task of distilling wild agaves and the process of blending different types of agaves, cultivating distinct and unique flavors.

SOUL CACHACA
Soul Premium Cachaça has a history of making one of the finest artisan cachaças in the world, using only the finest natural cane sugar from the heart of Brazil. Soul Premium Cachaça contains no additives or preservatives, and is gluten free.

Soul is perfect for cocktails, particularly the Classic Caipirinha, as well as bartenders’ creative creations and twists on any classic cocktail. With strict production standards, extensive quality control, and using proven traditional techniques, Soul has become one of the most recognized premium cachaças. Such accreditation includes a 92 Point Rating by Wine Enthusiast Magazine, 93 Point Rating by The Tasting Panel Magazine, and Double Gold Medal by the New York Wine & Spirits Competition.

CIHUATAN
Cihuatan is proud to be pioneers in the handcrafting of rum, hailing from one of the smallest countries in America: El Salvador. Cihuatán’s story begins in one of its valleys, where the ancient Mayan city of Cihuatán remains undiscovered. To this day, this city lies buried with most of its secrets and history. Legend has it that a Goddess came to Cihuatán many centuries ago, and bestowed its lands with riches and fertility. She then went to sleep on the valley to always look after its crops. Her spirit still watches over our sugarcane fields, remaining in the shape of the Guazapa Mountain.

Their rum is named after this legend: in Nahuat “Cihuatán” means “the land beside the sleeping woman”.

Ron Cihuatán 8 Years is ready to be discovered. It is made 100% by Salvadoran hands from sugarcane cultivated deep within the still unknown Cihuatán Valley. Its amber color comes from the volcanic heart of the Sleeping Woman, next to which their sugarcane grows. For the 12 year old rum, they have waited over a decade to handcraft one of the best aged rums, not only in El Salvador, but in the world. Ron Cihuatán 12 Years represents their commitment to craft and quality.
